LIGHT UP THOMASTON
October 7, 2015

MINUTES

PRESENT: Maureen and James Wilkas, Tom LeVasseur, Bob McQuarrie

Meeting was called to order at 7:10 p.m. by Maureen Wilkas

There was not a quorum present so we were not able to approve anything.

Bob McQuarrie reported that we were set with the Pocket Lady. He also said that he was meeting with the woman from the opera house and that the show would be going forward.

We discussed that Thomaston Savings Bank was willing to put up a tent out front to do the hot dogs. They were very excited about the possibility.

We discussed various float ideas and the need for trailers. We also discussed possible places to store them. We thought the Santa float should have a Christmas tree, a Santa list, some wrapped presents and possibly some reindeer (like the ones people have in their yards.) For the frozen tent, we discussed some ice peaks, a bench and some large snowflakes.

We discussed the need to get the fundraising letters out sooner rather than later.

We discussed letting Jennifer run with the idea of the bake sale.

We attempted to contact the gentleman from Industrial Riggers regarding getting the town hall lights done.

Meeting adjourned at 8:00

Respectfully submitted,
Maureen Wilkas, Acting Secretary
