Household Hazardous Waste (HHW) ^[1]

NVCOG administers a ten-town Household Hazardous Waste collection region for residents of Beacon Falls, Bethlehem, Middlebury, Naugatuck, Oxford, Southbury, Thomaston, Waterbury, Watertown, and Woodbury. HHW events give residents the opportunity to properly dispose of hazardous materials that are commonly used in the home including paint, pesticides, household cleaners, poisons, and chemicals. The goal of the program is to keep potentially hazardous waste out of local landfills and sewers, providing extra protection for wetlands and waterways. Three [hazardous waste disposal days](#) ^[2] are held annually. The dates and locations for 2015 Events can be found below.

Date	Event Location	Address
April 25, 2015	Quaker Farms School, Oxford	30 Great Oak Road, Oxford ^[3]
July 25, 2015	Thomaston High School, Thomaston	185 Branch Road, Thomaston ^[4]
October 3, 2015	Woodbury Middle School, Woodbury	67 Washington Avenue, Woodbury ^[5]

Events start at 8:00 a.m. and end promptly at 2:00 p.m.

There is a cap of 50 lbs. or gallons of waste per resident unless arrangements are made in advance. If you think you might exceed this limit, send an email with your name, address, and type of waste to hhw@nvcogct.org ^[6] by Monday before the collection date.

Click [here](#) ^[7] for a list of acceptable and unacceptable items at HHW events.

For more information on how to properly dispose of common household items, check out our ["How Do I Dispose of"](#) ^[8] brochure.
