RECEIVED

Meeting commenced at 7:15pm

JUN 22 2016

I Recreational Trails [DEEP] Grant

Time 8:45

C. A. [Signature]
Thomaston Town Clerk

The first phase will be assessing the bridge (which will inform the location and cost of design of the Thomaston section) and determining the number of features being investigated in Watertown. COG reviewed the revised work program that the contractor submitted and sent back a re-revised work program.

II NAA Proposal

A proposal for bike racks at several town locations was submitted to the First Selectman's office on May 16, 2016.

III Trail Day - June 4

Trail Day final details were discussed. CT has more hikes on Trail Day than any other state. Two hikes in Black Rock State Park are planned for June 4. Thomaston and Watertown are sponsoring the hikes.

IV Other - None

V Public Comment – None

Meeting adjourned at 8:30p.m.
