#### LIGHT UP THOMASTON MINUTES

Present: Jim Wilkas, Maureen Wilkas, Tom LeVasseur, Karen Lamy, Lauren Marano, Jennifer Hotchkiss, Ben Hotchkiss

The meeting was called to order at 8:10 p.m. by Maureen Wilkas. The minutes from July's meeting were approved with an amendment. "Ligth" was changed to "Light" in the 9<sup>th</sup> paragraph.

We discussed Lauren's fundraising letters and approved them. We also discussed all of the wonderful work Lauren has done creating a website and go fund me page. Maureen is going to ask Tracy Decker if we can use our current account for our go fund me account.

Discussion turned to entertainment. A motion was made by Tom LeVasseur to hire Sean Michaels as a deejay at a price of \$350.00 for the night of Light Up. The motion was seconded by Jim Wilkas. It passed unanimously. Maureen advised the mime we used in the past was not available. The committee agreed that we still wanted a mime so Maureen is going to try and find one. Everyone is going to search out live entertainment for the event.

Maureen is going to go ahead and purchase the trophies for the window decorating contest.

The committee decided to go through with selling fried dough at the car show. Maureen will obtain the health permit. Lauren and Jennifer will get prices for sauce, paper plates, napkins, grated cheese, cooking oil, soda, Gatorade type drinks and cinnamon and sugar from BJ's and Costco. Ben and Jennifer, Jim and Maureen, Lauren, Tom and Michelle LeVasseur will be able to work at the car show. We will reach out to other members to see who else can work. Jennifer is going to find out if the fire department will let us use its fryolator.

Tom and Jim reported that the lights were now 57% done. Much of the remaining work required lifts or trucks. Ben advised that he had a friend who might let us use his truck.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,

Maureen Wilkas,  
Acting Secretary
