Joyce reported that she would do cupcakes again this year.

She is not sure that she can run the Festival of Trees so we will need to get coverage for that. Tina and Lauren said they could help with it. Lisa Lizotte had also said she would be able to help with it.

Karen has the posters almost ready. Jim will send her the new logo.

We voted to purchase the BarS hot dogs from LaBonnes. Tom is going to order them.

Armand Roy is going to ask Father Mark from the Trinity Church about doing the blessing.

Lauren is going to see if park and rec will send out our flyer for volunteers.

We discussed what we were going to do with the floats. Tina advised her space was immediately available. We discussed doing the frozen tent and Festival of Trees light tunnel in advance.

We voted to get a lot of lights for the tree at the gazebo.

Tina suggested that we look into doing something with lights to really incorporate Seth Thomas Park into the festivities.

Respectfully submitted,

Michelle LeVasseur, Secretary
