

LIGHT UP THOMASTON
October 28, 2015

MINUTES

PRESENT: Maureen and James Wilkas, Tom LeVasseur, Bob McQuarrie, Tina Duffy, Karen Lamy, Heather Wing, Terri

Meeting was called to order at 7:00 p.m. by Maureen Wilkas. Motion was made to accept the minutes from the October 21st meeting. Seconded and passed unanimously.

Went over lighting report.

We confirmed that the fact that the balloon benders do not dress up is not an issue.

KathyJo confirmed she would get elves set for the night of Light Up and that she had their costumes. She also said she confirmed with Lucy Santopietro that her kids would be decorating the Christmas Tree. KathyJo also confirmed that her sons will set up Santa's tent.

Heather, Karen, Terry and Maureen are available on the 7th to work on floats.

Heather and Tina are available after 3:00 on the 14th to work on floats.

Bob will see when we can get Matt's trailer. He will also check to see if we can get the sled by the 7th.

Karen brought the posters. They came out beautiful. Karen will help out at the Festival of Trees from 10-2 the day of Light Up. Tina can help out for a couple hours after that.

Terri is going to try and get some volunteers. Heather said that Thrive Church was willing to volunteer.

Light Committee discussed that they really needed the fire department to finish up some buildings. They were going to contact Tim Scatena to see if he could get that set up. Industrial Riggers will help out with the town hall on November 7th.

We discussed that we have a serious lack of help this year and that it might become problematic the day before and the night of Light Up. Everyone was asked to see if they could come up with new volunteers.

Meeting adjourned at 8:30.

Respectfully submitted,
Maureen Norris Wilkas, Acting Secretary
