Lighting Report – Industrial Riggers was coming on Saturday and the fire department was coming on the 14<sup>th</sup>.

Jim was able to get the frozen trailer for Saturday and Tom was able to get the gingerbread house trailer. Maureen and Michelle are going to work on the floats on Saturday.

Parade order was discussed. The map was discussed. Jim will revise last year's map.

As we will not have trailers to do the other floats on the 14<sup>th</sup>, we will do the Christmas trees at Kenea and Seth Thomas Parks, set up the frozen tent and set up the starlight tent on that date. Maureen, Teri and Michelle are available that day. Dave Hoebel will help get the tree.

We will set up the character, Santa and Sunshine band trailers on the 21<sup>st</sup>. Maureen, Michelle and Teri are available that day.

Bob McQuarrie confirmed the Salvation Army band was coming. Carol confirmed the fire department was going to be in the parade and was going to do a bon fire. Kathy-Jo confirmed she has the elves.

Tony and Hans will set up the cut outs on the day of Light Up. Michelle will pick up the hotdogs and Joyce will pick up the hotdog rolls. Kathy-Jo's kids will set up the Santa tent either the day of or the night before. Derik had advised Kathy-Jo he was not available this year but had told Tom he would be. We need to check on this.

Joyce advised that Rosalie will oversee the handing out of the cupcakes. Joyce also advised she bought 500 lollipops to be handed out. She also reported that an anonymous donor paid for the cake mixes for this year's cupcakes. Joyce will get the prices of the hotdog rolls to Maureen as Thomaston Savings Bank is willing to pay for a portion of the hotdogs.

Maureen advised that the Baptist Church would be joining us this year and that they have a men's group which may be able to help.
