Light Up Thomaston Minutes

PRESENT: Steve and Nancy Lattimer, Tom, Lindsay, and Sarah LeVasseur, Maureen and Jim Wilkas, Tina Duffy, Jennifer Nolan

The meeting was called to order at 7:05 p.m. Minutes from prior meeting were approved with the amendment that the Sunshine Road Band is to be on a trailer/stage as opposed to being on a float in the parade.

Tom gave a lighting report. There are 4 ladder buildings and 4 lift buildings to complete. Maureen confirmed that she had placed the order for supplies that the light crew had requested. The materials should be in during the week.

We went over the tasks that still needed to be done. Maureen advised the committee that Kathy Jo Butkevicius had advised that she and Rob would probably not be participating this year. Maureen also advised that Joyce was sick and would not be baking cupcakes or overseeing the Festival of Trees.

Maureen reported that the Adam's fundraiser was down by quite a bit. We have only gotten one \$50.00 donation so far. Normally we get \$1,000.00 from that fundraiser.

We discussed trying to get donations for the grocery bags at Adam's on Saturday. Maureen, Nancy, Sarah and Lindsay agreed to do so if Adam's would let us.

The meeting was adjourned at 8:00 p.m.

Respectfully submitted,

Maureen Wilkas
