Time

PRESENT: Maureen and Jim Wilkas, Sarah, Lindsay and Tom LeVasseur, Steve Lattimer, Adam Marble, Bob McQuarrie, Camden Vadney, TinaDuffy

Thomaston Town Clerk

CD

Meeting was called to order at 7:00 .m. Minutes from the previous meeting were reviewed. Motion to accept them was made by Tom LeVasseur, seconded by Lindsay LeVasseur. Motion passed unanimously.

Maureen requested a motion to donate \$100 to the Connecticut Siberian Husky Club as we have in previous years. Motion made by Tom LeVasseur, seconded by Steve Lattimer. The motion passed unanimously.

Maureen advised that Derek who normally handles selling tickets for the wood carver raffle is unable to do so this year. She entertained suggestions as to how to handle the situation as the problem is that a lot of our members will not be around the night of Light Up and others already had things they had to do. As this involved handling money, she was nervous about just asking for volunteers on facebook or something like that. Everyone was asked to come up with ideas.

Tom gave a lighting report . Most buildings were done except for a few lift buildings. They were going to do Senor Panchos this weekend as Matt was not around to help them with wreaths.

Maureen and Lindsay agreed to meet to do the town Christmas tree.

Meeting was adjourned at 8:10

Respectfully submitted

Maureen Wilkas, Acting Secretary
